

IMPORTANT INFORMATION ABOUT YOUR ACCOUNT

Substitute Checks and Your Rights

WHAT IS A SUBSTITUTE CHECK? To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check.

Some or all of the checks that you receive back from us may be substitute checks. This notice describes rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other law with respect to those transactions.

WHAT ARE MY RIGHTS REGARDING SUBSTITUTE CHECKS? In certain cases, federal law provides a special procedure that allows you to request a refund for losses you suffer if a substitute check is posted to your account (for example, if you think that we withdrew the wrong amount from your account or that we withdrew money from your account more than once for the same check). The losses you may attempt to recover under this procedure may include the amount that was withdrawn from your account and fees that were charged as a result of the withdrawal (for example, bounced check fees).

The amount of your refund under this procedure is limited to the amount of your loss or the amount of the substitute check, whichever is less. You also are entitled to interest on the amount of your refund if your account is an interest-bearing account. If your loss exceeds the amount of the substitute check, you may be able to recover additional amounts under other law.

If you use this procedure, you may receive up to \$2,500.00 of your refund (plus interest if your account earns interest) within 10 business days after we received your claim and the remainder of your refund (plus interest if your account earns interest) not later than 45 calendar days after we received your claim. We may reverse the refund (including any interest on the refund) if we later are able to demonstrate that the substitute check was correctly posted to your account.

HOW DO I MAKE A CLAIM FOR A REFUND? If you believe that you have suffered a loss relating to a substitute check that you received and that was posted to your account, please contact us by:

Phone at: (706)554-8100 or
Mail at: First National Bank of Waynesboro
PO Box 647
Waynesboro, GA 30830

You must contact us within 40 calendar days of the date that we mailed (or otherwise delivered by a means to which you agreed) the substitute check in question or the account statement showing that the substitute check was posted to your account, whichever is later. We will extend this time period if you were not able to make a timely claim because of extraordinary circumstances.

Your claim must include:

- A description of why you have suffered a loss (for example, you think the amount withdrawn was incorrect);
- An estimate of the amount of your loss;
- An explanation of why the substitute check you received is insufficient to confirm that you suffered a loss; and
- A copy of the substitute check and/or the following information to help us identify the substitute check such as the check number, the name of the person to whom you wrote the check, the amount of the check.

BILL PAY SERVICES. You can access Bill Pay Services in the same manner that you access other Online Services by using your Login Credentials and meeting any other security measures that we may institute. You must indicate the Account that is to be considered the designated Account to be debited for your bill-paying activities. If using a Savings or Money Market Account, we may limit the number of transfers or withdrawals to six per month or statement period. You must maintain sufficient available funds in the designated Account to satisfy the expected payment activity.

In order to pay bills, you will need to create a list of payees, providing the information required to log and submit your payments accurately. We require at least 10 days as set-up time for Checks and online payments through Bill Pay Services. If we pay your bill by issuing a Check, we may, at our discretion, send the Check to the payee before the due date you selected. The payee may cash the Check before or after the selected due date. If your account has insufficient funds when the payee cashes the Check and we pay the item on your behalf, you will be responsible for paying the overdrawn balance, and we may charge you overdraft fees. Refer to the Account Agreement for more information. If you fail to take into account our required set-up time and the payment is received by the payee after the due date, we are not responsible for any late charges or other actions that may be taken by the payee due to the late payment. Please make other payment arrangements for the payment that is due and set-up the next payment to that payee through Bill Pay Services.

We assume responsibility for all reasonable efforts to process your payments through Bill Pay Services in a timely and accurate manner. We accept no liability for any damages you may incur due to insufficient or unavailable funds in the designated Account that may adversely affect payment processing, any inaccuracies in the payee information supplied in regards to this payment, any mishandling or delay in posting by the payee or the payee's financial institution of account, or any system or postal delays or interruptions or any other circumstances out of our control, to the extent allowed by state and federal law and the provisions of this Agreement. Also, contact us immediately if you suspect any security breach of your Login Credentials or any unauthorized activity using Bill Pay Service.

CANCELING BILL PAY SERVICES. You may cancel Bill Pay Services at any time by contacting us via phone, fax, or in any other form or manner acceptable to us. When not canceling in writing or in a Record to us, we may require a Record or writing confirming the Bill Pay Services cancellation. Be aware of any outstanding payments and make arrangements for future payments to the payees. When deleting specific payees only, you may individually delete that payee and retain the Bill Pay Services for any remaining payees.

ADDITIONAL BILL PAY SERVICES INFORMATION.

As a FNBanking Customer, you also may elect to make electronic bill payments from your FNB Accounts (the "Bill Payment Service"). You would make this election on our web site in our FNBanking area. However, the Bill Payment Service is provided by CheckFree, a company that is not affiliated with or otherwise part of the FNB organization. We therefore will have no responsibility or liability to you for that Bill Payment Service. CheckFree will provide you a separate terms and conditions agreement governing your bill payments through them. If you call us at 706-554-8100 concerning the Bill Payment Service we can attempt to help you address any questions, but most concerns will need to be addressed by CheckFree.

REMOTE DEPOSIT CAPTURE ("RDC"). RDC services allow you to make deposits to your Account from remote locations by electronically transmitting digital images of your original paper checks, which are drawn on or payable through United States financial institutions in United States dollars to us. We may then use this Check Image to create an Electronic Check or Substitute Check for collection. The Check Clearing for the 21st Century Act and Regulation CC govern the use of RDC services and have enabled financial institutions to accept Substitute Checks, which are the legal equivalent to Original Checks for all purposes.

RDC FEES AND CHARGES. Any and all fees and charges associated with your Accounts remain in effect when accessing and using RDC services. You understand that standard data charges and messaging rates imposed by your wireless service provider may apply and that these rates and charges are your sole responsibility. Please contact your service provider for additional information.

ELIGIBILITY OF ITEMS. You may only submit Items for deposit that are within the dollar limits established for you. We reserve the right to limit the dollar amount and frequency of deposits made through RDC services by you, and we may raise or lower your dollar limit in the future at our sole discretion at any time. You agree that we are not obligated to accept any Check Image that we determine to be ineligible and you agree to deposit only Checks as defined by section 1.8 in the DEFINITIONS

section of this Agreement. You acknowledge that ineligible Items include, but are not limited to, the following: ACH payments or wire transfers, Items drawn on banks located outside of the United States, cash, illegible Items, incomplete Items, Items which are altered in any way, any Check that has previously been converted to a Substitute Check, any Item that contains indecipherable magnetic ink character recognition ("MICR") data, any Check originally made payable to a party other than you and any stale or post-dated Items.

PROCESSING REQUIREMENTS. You agree you will not alter any Original Check or Check Image under any circumstance and you warrant that all Original Checks are authorized for the amount stated on the Check by the person who created the Check. At the time of presentment to you by drawer, any Checks that you initiate for deposit must contain all necessary information on the front and back of the Check, including all endorsements, the identity of the drawer and paying bank that is preprinted on the Check, and the image quality must be in compliance with the minimum requirements established by the American National Standards Institute ("ANSI"). Determination of image quality compliance is in our sole discretion and any Check may be rejected if it does not meet this criteria. You also agree that all Check Images you submit for deposit through RDC services will not contain any viruses or other potentially harmful attributes.

ACCEPTANCE OF ITEMS. We are not responsible for any Items which we do not receive. Items received will each be reviewed for acceptability and any accepted Item will be converted into a Substitute Check. You agree that electronic conveyance of a Check does not equate to receipt of the Check. You agree that a notice confirming receipt of your deposit does not mean the Item is error-free or that it will not be rejected upon further review. If we do reject an Item for any reason, we will provide you with a notice of rejection; however, we will not be liable for loss suffered as a result of the rejected Item. We will also provide you with a notice if your deposited Item is dishonored, in which case you permit us to debit such amount from your account. You may confirm receipt of all deposited Items by viewing your account statements or by contacting us.

RETENTION AND DISPOSAL OF CHECKS. You agree to securely preserve and protect each Original Check for a period of 30 calendar days and during this period you agree to provide any Original Check to us upon request. Once you have obtained confirmation from us that we have received an Item, you agree to indicate its presentment via electronic means directly on the Original Check. You agree you will not deposit or submit any Original Check which you have already submitted or deposited electronically into an account you own with us or at any other financial institution. At the expiration of the 30 calendar days day period, you will destroy each Original Check in its entirety to ensure it is not presented for payment again. You understand that any misuse of a Check Image after presentment to us is your responsibility and you will be solely liable for any resulting loss.

ADDITIONAL REMOTE DEPOSIT CAPTURE INFORMATION.

Through the downloadable application. Mobile Deposit uses a smartphone camera to take a picture of the front and back of each check and submit the images electronically to make deposits to your checking or savings accounts. When capturing the images, visual brackets provide a guide for centering the check. Each check image is analyzed for quality upon submission; if the image does not pass, the customer is immediately notified and they can re-capture the check image. Customers can cancel the transaction at any time during the mobile deposit process. However, once the transaction has been submitted, it cannot be canceled.

Eligible items. We can accept most check types, including two party, payroll and government checks. However there are some exceptions; money orders, traveler's checks, not on-us official/cashier's checks, foreign Items, HELOC access & credit card advance checks, comdata checks, previously converted checks/substituted checks, altered checks, rebate checks, tax refund checks and checks dated more than 6 months prior to deposit date.

Customer is responsible for verifying that deposits have posted to the appropriate account. Please note: All deposits are subject to verification and can be adjusted upon review.

FUNDS AVAILABILITY POLICY DISCLOSURE

Funds Availability Disclosure

This disclosure describes your ability to withdraw funds at First National Bank of Waynesboro. It only applies to the availability of funds in your transaction accounts (e.g., checking accounts). We reserve the right to delay the availability of funds deposited to accounts that are not transaction accounts for periods longer than those outlined in this policy. Please ask us if you have a question about which accounts are affected by our availability policy.

For purposes of this disclosure, the terms "you" or "your" mean customer and the terms "our," "we," or "us" mean First National Bank of Waynesboro.

YOUR ABILITY TO WITHDRAW FUNDS. Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. Electronic direct deposits will be available on the day that we receive the deposit. Once they are available, you can withdraw the funds in cash, and we will use the funds to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before the close of business on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after the close of business or on a day that we are not open, we will consider the deposit made on the next business day we are open.

DEPOSITS AT OTHER LOCATIONS. This availability policy only applies to funds deposited at First National Bank of Waynesboro. Please inquire for information about the availability of funds deposited at other locations.

LONGER DELAYS MAY APPLY. In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after we receive your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$275.00 of your deposits, however, may be available on the first business day after the day of deposit. If we are not going to make all of the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will send you the notice by the day after we receive your deposit. If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- (a) if we believe a check you deposit will not be paid;
- (b) if you deposit checks totaling more than \$6,725 on any one day;
- (c) if you redeposit a check that has been returned unpaid;
- (d) if you have overdrawn your account repeatedly in the last six months; or
- (e) if an emergency condition arises that would not enable us to make the funds available to you, such as the failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the 7 business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS. If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from all other check deposits will be available on the tenth business day after the day of your deposit.

HOLDS ON OTHER FUNDS IN ANOTHER ACCOUNT. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Funds from deposits (cash or checks) made at an ATM that we own or operate will be available on the first business day after the date of your deposit. a deposit at an ATM that is owned and operated by us after 3:00 p.m. EST or on a day that we are not open, we will consider the deposit made on the next business day we are open.

FOREIGN CHECKS. Checks drawn on financial institutions outside of the U.S. (foreign checks) cannot be processed the same as checks drawn on U.S. financial institutions. Foreign checks are exempt from the policies outlined in this disclosure. Generally, the availability of funds from deposits of foreign checks will be delayed for the time it takes us to collect the funds from the financial institutions upon which they are drawn.

The currency conversion rate used by Mastercard International is generally the rate of the applicable currency on the date that the transaction occurred. NOTICE OF RIGHTS AND RESPONSIBILITIES

The use of any electronic fund transfer services described in this document creates certain rights and responsibilities regarding these services as described below.

RIGHT TO RECEIVE DOCUMENTATION OF YOUR TRANSFERS.

TRANSACTION RECEIPTS. Depending on the location of an ATM, you may not be given the option to receive a receipt if your transaction is \$15.00 or less. Upon completing a transaction of more than \$15.00, you will receive a printed receipt documenting the transaction (unless you choose not to get a paper receipt). These receipts (or the transaction number given in place of the paper receipt) should be retained to verify that a transaction was performed. A receipt will be provided for any transaction of more than \$15.00 made with your Debit Card at a Participating Merchant. If the transaction is \$15.00 or less, the Participating Merchant is not required to provide a receipt.

PERIODIC STATEMENTS. If your account is subject to receiving a monthly statement, all EFT transactions will be reported on it. If your account is subject to receiving a statement less frequently than monthly, then you will continue to receive your statement on that cycle, unless there are EFT transactions, in which case you will receive a monthly statement. In any case you will receive your statement at least quarterly.

PREAUTHORIZED DEPOSITS. If you have arranged to have direct deposits made to your account at least once every 60 days from the same person or company:

- the person or company making the deposit will tell you every time they send us the money.
- you can call us at (706)554-8100 to find out whether or not the deposit has been made.

USING YOUR CARD AND PERSONAL IDENTIFICATION NUMBER ("PIN"). In order to assist us in maintaining the security of your account and the terminals, the Debit Card remains our property and may be revoked or canceled at any time without giving you prior notice. You agree not to use your Debit Card for a transaction that would cause your account balance to go below zero, or to access an account that is no longer available or lacks sufficient funds to complete the transaction, including any available line of credit. We will not be required to complete any such transaction, but if we do, we may, at our sole discretion, charge or credit the transaction to your account; you agree to pay us the amount of the improper withdrawal or transfer upon request.

Certain transactions involving your Debit Card require use of your PIN. Your PIN is used to identify you as an authorized user. Because the PIN is used for identification purposes, you agree to notify First National Bank of Waynesboro immediately if your Debit Card is lost or if the secrecy of your PIN is compromised. You also agree not to reveal your PIN to any person not authorized by you to use your Debit Card or to write your PIN on your Debit Card or on any other item kept with your Debit Card. We have the right to refuse a transaction on your account when your Debit Card or PIN has been reported lost or stolen or when we reasonably believe there is unusual activity on your account.

The security of your account depends upon your maintaining possession of your Debit Card and the secrecy of your PIN. You may change your PIN if you feel that the secrecy of your PIN has been compromised. You may change your PIN at our ATM, via the telephone, or PIN numbers may be changed by calling 1-800-992-3808 or in online banking.

If you call, please have the following information ready: your account number, the date the transfer is to take place, to whom the transfer is being made and the amount of the scheduled transfer. If you call, we will require you to put your request in writing and deliver it to us within fourteen (14) days after you call.

NOTICE OF VARYING AMOUNTS. If you have arranged for automatic periodic payments to be deducted from your checking or savings account and these payments vary in amount, you will be notified by the person or company ten (10) days before each payment, when it will be made and how much it will be.

OUR LIABILITY FOR FAILURE TO STOP PREAUTHORIZED TRANSFER PAYMENTS. If you order us to stop one of the payments and have provided us with the information we need at least three (3) business days prior to the scheduled transfer, and we do not stop the transfer, we will be liable for your losses or damages.

YOUR RESPONSIBILITY TO NOTIFY US OF LOSS OR THEFT. If you believe your Debit Card or PIN or internet banking access code has been lost or stolen,

or

write to: PO BOX 647
WAYNESBORO, GA 30830

You should also call the number or write to the address listed above if you believe a transfer has been made using the information from your check without your permission.

CONSUMER LIABILITY. Tell us AT ONCE if you believe your Debit Card or PIN or internet banking access code has been lost or stolen or if you believe that an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit, if applicable). If you tell us within two (2) business days after you learn of the loss or theft of your Debit Card or PIN or internet banking access code you can lose no more than fifty dollars (\$50) if someone used your Debit Card or PIN or internet banking access code without your permission. If you do NOT tell us within two (2) business days after you learn of the loss or theft of your Debit Card or PIN or internet banking access code and we can prove we could have stopped someone from using your Debit Card or PIN or internet banking access code without your permission if you had given us notice, you can lose as much as five hundred dollars (\$500).

Also, if your statement shows transfers you did not make, including those made by card, code, or other means, tell us at once. If you do not tell us within sixty (60) days after the statement was transmitted to you, you may not receive back any money you lost after the sixty (60) days, and therefore, you may not get back any money in your account, if we can prove that we could have stopped someone from taking the money had you given us notice in time. If a good reason (such as a long trip or hospital stay) keeps you from giving the notice, we will extend the time periods.

CONSUMER LIABILITY FOR UNAUTHORIZED TRANSACTIONS INVOLVING MASTERCARD DEBIT CARD.

The limitations on your liability for unauthorized transactions described above generally apply to all electronic fund transfers. However, different limitations apply to certain transactions involving your card with the Mastercard® branded card.

If you promptly notify us about an unauthorized transaction involving your card and the unauthorized transaction took place on your Mastercard® branded card, including any PIN-based ATM or POS transactions, zero liability will be imposed on you for the unauthorized transaction. In order to qualify for the zero liability protection, you must have exercised reasonable care in safeguarding your card from the risk of loss or theft and, upon becoming aware of such loss or theft, promptly reported the loss or theft to us.

ILLEGAL USE OF MASTERCARD DEBIT CARD. You agree not to use your Mastercard Debit Card for any illegal transactions, including internet gambling and similar activities.

IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR TRANSACTIONS. In case of errors or questions about your electronic fund transfers,

or

write to: First National Bank of Waynesboro
PO Box 647
Waynesboro, GA 30830

or

use the current information on your most recent account statement.

Notification should be made as soon as possible if you think your statement or receipt is wrong or if you need more information about a transaction listed on the statement or receipt. You must contact First National Bank of Waynesboro no later than 60 days after we sent you the first statement on which the problem or error appears. You must be prepared to provide the following information:

- Your name and account number.
- A description of the error or transaction you are unsure about along with an explanation as to why you believe it is an error or why you need more information.
- The dollar amount of the suspected error.

If you provide oral notice, you may be required to send in your complaint or question in writing within ten (10) business days.

We will determine whether an error occurred within ten (10) business days (twenty (20) business days for new accounts) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days (ninety (90) days for new accounts and foreign initiated or Point of Sale transfers) to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days (twenty (20) business days for new accounts) for the amount which you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. The extended time periods for new accounts apply to all electronic fund transfers that occur within the first thirty (30) days after the first deposit to the account is made, including those for foreign initiated or Point of Sale transactions.

We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

LIABILITY FOR FAILURE TO COMPLETE TRANSACTION. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages as provided by law. However, there are some exceptions. We will NOT be liable, for instance:

- If through no fault of ours, you do not have enough money in your account to make the transfer.
- If the transfer would result in your exceeding the credit limit on your line of credit, if you have one.
- If the electronic terminal was not working properly and you knew about the breakdown before you started the transfer.
- If circumstances beyond our control (such as fire or flood, computer or machine breakdown, or failure or interruption of communications facilities) prevent the transfer, despite reasonable precautions we have taken.
- If we have terminated our Agreement with you.
- When your Debit Card has been reported lost or stolen or we have reason to believe that something is wrong with a transaction.
- If we receive inaccurate or incomplete information needed to complete a transaction.
- In the case of preauthorized transfers, we will not be liable where there is a breakdown of the system which would normally handle the transfer.
- If the funds in the account are subject to legal action preventing a transfer to or from your account.
- If the electronic terminal does not have enough cash to complete the transaction.

There may be other exceptions provided by applicable law.

CHARGES FOR TRANSFERS OR THE RIGHT TO MAKE TRANSFERS. The following fees and charges may be imposed on your checking account:

We will disclose information to third parties about your account or electronic fund transfers made to your account:

AMENDING OR TERMINATING THE AGREEMENT. We may change or amend any of the terms and conditions of the Agreement and those portions of the applicable Fees which relate to EFT services, at any time upon at least 30 days written notice to you prior to the effective date of the change or amendment. Your failure to timely furnish notice as set forth in the written notice shall be deemed to be your acceptance of such change or amendment. If you do not agree to abide by a change or amendment, you must notify First National Bank of Waynesboro of the fact prior to the effective date of the change or amendment and cancel this Agreement. First National Bank of Waynesboro may cancel this Agreement at any time, without

giving you prior notice. If you or First National Bank of Waynesboro cancels this Agreement at any time, you shall surrender any card and you may no longer use any of First National Bank of Waynesboro's EFT services other than automated clearing house transfer services.

SAFETY PRECAUTIONS FOR ATM TERMINAL USAGE. Please keep in mind the following basic safety tips whenever you use an ATM:

- Have your Debit Card ready to use when you reach the ATM. Have all of your forms ready before you get to the machine. Keep some extra forms (envelopes) at home for this purpose.
- If you are new to ATM usage, use machines close to or inside a financial institution until you become comfortable and can conduct your usage quickly.
- If using an ATM in an isolated area, take someone else with you if possible. Have them watch from the car as you conduct your transaction.
- Do not use ATMs at night unless the area and machine are well-lighted. If the lights are out, go to a different location.
- If someone else is using the machine you want to use, stand back or stay in your car until the machine is free. Watch out for suspicious people lurking around ATMs, especially during the times that few people are around.
- When using the machine, stand so you block anyone else's view from behind.
- If anything suspicious occurs when you are using a machine, cancel what you are doing and leave immediately. If going to your car, lock your doors.
- Do not stand at the ATM counting cash. Check that you received the right amount later in a secure place, and reconcile it to your receipt then.
- Keep your receipts and verify transactions on your account statement. Report errors immediately. Do not leave receipts at an ATM location.
